Description of the Event:

He was deployed to clean and install the floor water drain pipeline and its accessories. He used a knife to cut a rubber material by placing it on his left Thigh. When he started to cut the material with some force, the knife got slipped from the rubber material and struck his left thigh. As a result of this incident, he had a deep laceration on his left thigh.

Immediate Action(s) Taken to Prevent Reoccurrence (If Any):

First Aid was provided by the nurse and took him to Gulf Asian polyclinic for further treatment.
